

PRIVACY POLICY

Last Updated: 09/10/2018

The following Privacy Policy regulates which of your information we proceed, use and collect while you access our Website ("cheatsformacs.com") and use our Services (which are our products on our Website available to purchase or to download as a free trial, if applicable).

By accessing our Website you give us your clear consent and you agree to this Privacy Policy. Please acknowledge it carefully. **If you do not agree with our Policy, you need to cease using our Website and Services immediately.**

Also, please make sure to read our [Terms and Conditions](#), available on our Website.

We treat your privacy seriously and we take care to make it clear and easily accessible for you. Click "[Privacy Policy](#)" tab on our Website to access it anytime.

We reserve the rights to change this Privacy Policy in our sole discretion at any time and without prior notice by uploading the newest version to our Website.

Last update date is added at the beginning of this Policy ("[Last Updated](#)"), written in bold text.

YOUR INFORMATION WHEN YOU ACCESS OUR WEBSITE

When you access our Website ("cheatsformacs.com") and do not use our "[Contact Us](#)" tab and do not contact us via our support email support.cheatsformacs@yandex.com, and also do not use our Community Chat (<https://chat.cheatsformacs.com>), we **ONLY collect your IP address and your user agent**. Any other of your data **ARE NOT** collected while you access our Website.

These collected information are the information we obligatory receive every time you access our Website and the minimum crucial ones in order to protect us from cyber-attacks.

OUR EMAIL CONTACT POLICY

When you contact us via our support email support.cheatsformacs@yandex.com or "[Contact Us](#)" tab on our Website, we can use your email address to respond to you.

If we need to resolve any issue you have reported to us, we may ask you for additional information, such as your access key to our Services. We **DO NOT** ask for any confidential information.

We can use third parties providers in order to track if our emails to you are successfully delivered. We take care to make sure you have received and read the information we send to you.

PRIVACY POLICY

COMMUNITY CHAT POLICY

You can use the RocketChat community chat, available on <https://chat.cheatsformacs.com>, in order to communicate with others.

RocketChat is an open-source project, which we use.

In order to provide you the Chat, basic Cookies are used on <https://chat.cheatsformacs.com>

In the most of popular web browsers, you can disable the use of the cookies. Although, it may affect the proper functionality of the Chat, even may make it impossible to access.

Community Chat is available only for our clients (members), which own an active license or owned in the past.

To access the chat, you need to email us. You will be asked to provide your license key in order to verify if you are our client.

To register, you need to enter your email address, nickname you want to use, and create a password to your Chat account.

Nickname will be visible to each member of the Chat.

Please be aware, that your messages on public rooms are **PUBLIC** and visible to **EVERY** person who enter the chat.

If you want your message to be visible only for chosen user, contact them directly.

Make sure that your language and behaviour is **NOT** harmful to other users of the chat. **DO NOT** spam or try to disrupt others. If you will act in disrespectful or otherwise harmful manner, we can mute, block it, or delete your activity or your account, or both of them.

For more details and detailed descriptions, please check <https://rocket.chat/docs/user-guides/>

YOUR DATA WHEN YOU PURCHASE OUR SERVICES

When you make a payment for our Services listed on our Website, we need to proceed, collect and use the date of transaction, what type of product you have chosen and your payment email address.

We **DO NOT** collect any of your confidential financial data, such as your credit card number.

PRIVACY POLICY

The information we proceed, collect and use are the only crucial ones for us for such purposes as to deliver our Services and protect them from any fraudulent use.

Payments are possible to made only by third parties services listed on our Website. Although we take a reasonable care to choose the most reliable for us payment services, we can not guarantee how these services handle your personal data, since using their payment system is a part of their policies, which can not be adjusted or changed by us.

We can use your email address to update you about newest changes and updates of our Website and Services. You can always resign from receiving these mails by clicking "**Unsubscribe**" in these mails. We can also use your email address in case of important issues with your transaction or your use of the Services. Such mails are crucial to resolve any issues which may appear and to protect us and your purchased Services against fraudulent use, therefore, these do not have marketing purposes and you can not unsubscribe.

WHEN YOU USE OUR SERVICES

When you use our Services, we collect your device ID and how many times you used our Services. These are important information, which protects both your purchased Services from unauthorised use and us in case of any future claims or issues.

WHAT DOES HAPPEN TO YOUR COLLECTED INFORMATION

We proceed, collect and use your information for such purposes as: delivering our Services, maintaining our Website and Services, improving your user experience with our Website and Services, updating you about newest features and improvements of our Website and Services, and protecting us against fraudulent actions and any future claims or issues. The collected data are saved as long as we consider it as necessary.

We **DO NOT** sell your collected information for third party marketing purposes.

We can use third parties providers in order to track if our email correspondence with you is successfully delivered.

Your collected data may be stored, collected and used in or outside your residential country and can be stored, collected and used using third party providers.

We put an effort to choose our third party providers and to protect your data, however, we can not guarantee a total safety how your data is stored, since it is outside of our power and it can be a subject of third party policies.

CHILDREN DATA PROTECTION

If you are under 18 years old, or under the age required by your local law, you can not use our Services.

PRIVACY POLICY

We **DO NOT** collect data and deliver our Services to children on purpose. If you are a parent or a legal guardian of a child who accessed and used our Services, **please contact us immediately**. We will take reasonable steps to solve this issue.

We use third party providers in payments procedures, which may have a certain age restriction to secure purchases.

Remember, that you are responsible to protect your credit cards or your financial accounts from unauthorised use. Make sure to protect your passwords and store it in a secure way, so your child can not use it against your clear will. We can not issue you a refund from our Services, if the payment was made in unauthorised way. Always make sure to protect your financial data.

SHARING YOUR DATA

We may share your data with third parties to allow a merger, financing, acquisition, dissolution transaction, bankruptcy or sale, transfer or divestiture of all or portion of our assets. Special message about the share will be displayed on our Website prior such share.

We also may share your data if we receive a legal request to do so or if we need to share it to protect us against any claims or any other legal actions.

LINKS TO THIRD PARTY

Our Website or Services, or both of them, may contain links to third party services and products, which does not imply our approval or endorsement for them. Their content and use of it may be a subject of third party policies. Therefore, you enter it on your own risk, so please acknowledge any applicable polices you may become a subject of.

CONTACT US

If you have any questions or issues regarding this Policy, please contact us via our support email support.cheatsformacs@yandex.com or via “**Contact Us**” tab on our Website.
